RE: PETITION TO THE SENATE CONCERNING THE MASS EXAM FAILURE AT THE KENYA SCHOOL OF LAW.

We, the undersigned,

Citizens of the Republic of Kenya, and concerned members of the public regarding learning at the Kenya school of law ;

**DRAW the attention of the Senate to the following:**

- **That,** For the past few years students at Kenya school of law have massively been failing exams at high percentage and the number of failures increases each year thus causing suspicion and the credibility of the examination ;
- **That,** Since the transfer of the handling of exams to the Council of Legal Education the rate of failure has been on high and alarming compared to previous legal regime when Kenya School of Law was incharge of Examination;
- **That,** Whenever a student fails and he is forced to re-sit or request for remark which is being charged not less than 15,000ksh per paper thus making Council of Legal Education a cash cow and taking into account that over 95% of the students who sat the exams are involved ;
- **That,** The mass failure has caused frustrations and depression to the students who are eager to be admitted to the bar and ready to practice but they have used all their money and years in re-sitting the exams ;
- **That,** there is no any other effort that has been made to adress this issue or it is not not pending in any constitutional body,commission or any court of law.
