NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –  
BARINGO CENTRAL CONSTITUENCY  
Reports and Financial Statements  
for the year ended June 30, 2019

I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- ~~i) Authorize withdrawal of money from the Consolidated Fund as provided under Article 206 (2) (c) of the Constitution;~~
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

#### **Budgetary Appropriations**

During the financial year 2018/2019, the overall budget utilization stood at 52.3 percent based on the funds received. This was achieved due to expeditious disbursement of funds received to earmarked projects by the NGCDF Committee. During the period Kshs 111, 937,786 was received against the total allocation of 214,108,919.

#### **Development Planning**

The Constituency Development Funds continue to draw interest of beneficiaries and communities alike. This has seen the receipt of many proposals from communities spanning various sectors. To ensure focus and expedite Constituency development, the Committee is reviewing its strategic plan which is a formalized road map that spells out where the Constituency is going over the next five years in project identification, implementation and management taking cognizance of the global Sustainable Development Goals, Kenya Vision 2030 and related County Integrated Development Plans. The NGCDF Committee is convinced that the strategic plan shall help the Constituency in setting priorities, focusing energy and resources, strengthening operations and ensuring that the Committee, its employees and other stakeholders are working towards a common goal and results.

#### **Challenges**

Despite the above impressive performance and plans, the Committee has noted various challenges in project implementation and management during the FY 2018/2019. These encompass, inadequate record keeping by project management committees, failure by some project

management committees to comply with the public procurement procedures and regulations as well as delayed submission of the required returns for funds disbursed.

Another notable challenge is the limited numbers of technical officers needed to provide the requisite technical advice in project implementation and management. To mitigate the above, the committee during the year 2018/2019 scaled up its capacity building programmes for NGCDF Committee, Project Management Committees and staff on various aspects of NGCDF projects management. These programmes contributed to minimizing the challenges and improving overall performance by Project Management Committees. The NG-CDFC plans to continue with the capacity building as well as monitoring and evaluation programmes during the FY 2019/2020.

I wish to sincerely thank the NGCDF Committee, NG-CDFC staff, Project Management Committees and other stakeholders for the cooperation and support that saw the achievement of the above milestones. Going forward, the Committee envisions to even perform better and attain better assessments in its performance targets for FY 2019/2020.

III. STATEMENT OF BARINGO CENTRAL MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF- BARINGO CENTRAL Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF- BARINGO CENTRAL Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *NG-CDF BARINGO CENTRAL* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2019, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF- BARINGO CENTRAL Constituency further confirms the completeness of the accounting records maintained for the *NG-CDF BARINGO CENTRAL*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF- BARINGO CENTRAL Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF- BARINGO CENTRAL Constituency financial statements were approved and signed by the Accounting Officer on 29/2/2020 2020.

## **REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - BARINGO CENTRAL CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019**

---

### REPORT ON THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Baringo Central Constituency set out on pages 11 to 45, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Baringo Central Constituency as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

#### **Basis for Qualified Opinion**

##### **1. Unsupported Expenditure on Other Grants and Transfers**

The statement of receipts and payments reflects other grants and transfers of Kshs.57,922,468 (2018:Kshs.35,840,289). As disclosed under Note 7 to the financial statements, the balance included Kshs.22,584,475 and Kshs.17,374,525 being bursaries to secondary schools and tertiary institutions respectively, both totaling to Kshs.39,959,000. However, details of beneficiaries of bursaries amounting to Kshs.8,776,450 were not provided. Further, and as previously reported, no evidence was provided that the beneficiaries of bursaries were vetted as required under

Regulation 21(3) of National Government Constituencies Development Fund Regulations, 2016, which requires a Constituency Committee to vet all persons proposed to receive support in accordance with the guidelines issued by the Board.

Under the circumstances, the accuracy and validity of other grants and transfers balance of Kshs.57,922,468 could not be confirmed.

## **2. Bank Balances**

The statement of assets and liabilities and Note 10A to the financial statements, reflect bank balances of Kshs.832,445. However, the June, 2019 bank reconciliation statement reflected un-presented cheques amounting to Kshs.11,687,911 of which Kshs.1,150,611 were stale and had not been written back in the cash book.

Consequently, the accuracy of the bank balances of Kshs.832,445 as at 30 June, 2019, could not be confirmed.

## **3. Fixed Assets**

The Summary of Fixed Assets Register disclosed at Annex 4 to the financial statements, reflects various asset classes with a historical cost balance of Kshs.27,651,938 as at 30 June, 2019. However, the fixed assets register reflected assets with a balance of Kshs.5,980,512 resulting to an unreconciled variance of Kshs.21,671,426.

Consequently, the accuracy of the summary of fixed assets register could not be confirmed.

## **4. Fund Balance**

The statement of assets and liabilities reflects net financial assets of Kshs.832,445 which are represented by an equivalent fund balance. However, the fund balance is erroneously described as net liabilities.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Baringo Central Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

## **Other Matter**

### **Budgetary Control and Performance**

The summary statement of appropriation - recurrent and development combined reflects final receipts budget and actual receipts on comparable basis of Kshs.214,108,919 and Kshs.159,068,043 respectively resulting to an overall budget under funding of Kshs.55,040,876 or 26%. The Fund's expenditure was limited to the receipts realized.

The under-funding affected implementation of the planned activities and projects which may have impacted negatively on service delivery to the residents of Baringo Central Constituency.

### **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

#### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

##### **1. Projects Implementation**

###### **1.1. Incomplete Prior Years' Projects**

The projects status report as at 30 June, 2019, indicated that one-hundred and thirteen (113) projects with a funding allocation of Kshs.77,123,897 were incomplete of which forty-three (43) related to prior financial years but were not prioritized contrary to Section 46(2) of National Government Constituencies Development Fund Act, 2015 which requires ongoing projects to take precedence over all other projects in funding. In the circumstances, value for money may not be realized from the projects. The delay impacted negatively on service delivery to the residents of Baringo Central Constituency.

###### **1.2. Audit Inspection of Projects**

Audit inspection undertaken in January, 2020, on seven (7) projects with a funding allocation of Kshs.13,700,000 revealed the following anomalies:

Project Location	Project Description	Cost (Kshs.)	Observations
Tereben Primary School	Completion of administration block	1,000,000	Despite exhausting the full allocation for the financial year 2018/2019, the project was incomplete and the contractor had abandoned the site. Also, no retention monies had been withheld to guard against defects.
Salawa Primary School	Completion of dining hall	1,000,000	Dining hall was incomplete, walls had developed cracks indicative of poor workmanship.
A.I.C Visa Oshwal Primary School	Completion of a four (4) wing multipurpose hall	5,500,000	One out four wings was complete and in use. The project allocation of Kshs.5,500,000 had been exhausted with the remaining 3 wings incomplete and abandoned.
Sigowa Primary School	Completion of administration block	1,000,000	The allocation in financial year 2018/2019 had been exhausted and the project was incomplete.
Kaprogonya Primary School	Construction of one classroom	1,000,000	Kshs.800,000 was utilized to project completion and the balance of Kshs.200,000 was used for construction of pit latrine in breach of Section 12(8) of NG-CDF Act 2015 which requires unutilized funds of project management committee to be returned to constituency account.
Kisore Primary School	construction of 4 classrooms	3,200,000	The project was complete and in use but unbranded.
Sigowo Primary	constriction of administration block	1,000,000	The allocation for the financial year 2018/2019 had been exhausted while the project was incomplete.
<b>Total</b>		<b>13,700,000</b>	

In the circumstances, value for money from the projects could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

# REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

## **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

## **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the going concern basis of accounting unless the Management is aware of intention to either terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall

governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to

those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## **IX. SIGNIFICANT ACCOUNTING POLICIES**

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### **1. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### **2. Reporting Entity**

The financial statements are for the NGCDF-BARINGO CENTRAL Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

### **3. Reporting Currency**

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### **4. Significant Accounting Policies**

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

#### **a) Recognition of Receipts**

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

##### **Tax Receipts**

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

##### **Transfers from the Exchequer**

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

**SIGNIFICANT ACCOUNTING POLICIES**

**External Assistance**

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30<sup>th</sup> June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

**Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

**b) Recognition of payments**

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

**Compensation of Employees**

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

**Use of Goods and Services**

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Acquisition of Fixed Assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

## SIGNIFICANT ACCOUNTING POLICIES

### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

## **SIGNIFICANT ACCOUNTING POLICIES**

### **11. Budget**

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1<sup>st</sup> July 2018 to 30<sup>th</sup> June 2019 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

### **12. Comparative Figures**

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### **13. Subsequent Events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30<sup>th</sup> June 2019.

### **14. Errors**

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

### **15. Related Party Transactions**

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.
