### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – SAKU CONSTITUENCY

Reports and Financial Statements For the year ended June 30, 2020

#### 1. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

#### (a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

#### Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;

b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;

c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;

d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;

e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;

 Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;

g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;

h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;

i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206
 (2) (c) of the Constitution;

j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and

k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

#### Vision

Equitable Socio-economic development countrywide

#### Mission

To provide leadership and policy direction for effective and efficient management of the Fund

#### Core Values

- 1. Patriotism we uphold the national pride of all Kenyans through our work
- 2. Participation of the people- We involve citizens in making decisions about programmes we fund
- Timeliness we adhere to prompt delivery of service
- 4. Good governance we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
- 5. Sustainable development we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

#### (b) Key Management

The NGCDF SAKU Constituency day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

#### (c) Fiduciary Management

The key management personnel who held office during the financial year ended 30<sup>th</sup> June 2020 and who had direct fiduciary responsibility were:

Mo	Designation	Name
1.	A.I.E holder	Japhet N. Ngui
2.	Sub-County Accountant	Stephen Mwangi
3.	Chairman NGCDFC	Guyo Bonaya
4.	Member NGCDFC	Boru Jattani

#### (d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of NGCDF-SAKU Constituency. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

#### 2. FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

NG-CDFC Saku Constituency has made tremendous achievements since its inception in 2003 towards poverty eradication in the constituency and more so in promotion of education and security standards in this marginalised part of the country.

I really thank my CDFC for the great support they have given me during the year.

During the financial year, the Saku NG-CDF had been allocated Sh. 137,367,724. Out of this, Ksh. 64,000,000 had been received by 30<sup>th</sup> June 2020. This resulted to low uptake of the funds to projects as much of this went to bursary and administrative activities.

During the financial year, the Saku NG-CDF 118,840,876 out of which Kshs. 54,840,876 was however for the last financial year.

Saku constituency is situated in Marsabit County and being a marginalised area with very highilliteracy levels, priority was given to education bursary which was allocated a budget of Ksh. 36,000,000 translating to 25% of the total annual budget.

The huge education budget targeting infrastructural development in schools and bursary has really lead to increased student enrolment in schools and institutions of higher learning hence enhancing literacy levels in the constituency.

Saku NGCDF is also facilitating construction of the first technical institution in the constituency which will go a long way in developing middle level skills in youth. The CDFC has initiated major projects in schools and Security sector like construction modern Dormitory block at Saku High and Moi Girls' Schools, a modern Dining hall and Kitchen in Goro Rukesa Secondary School, a state of the art Administration block at Marsabit Boys Secondary School, a modern Sagante Police post, among many others.

One of the major challenges is poor infrastructural facilities in most educational institutions as majority were constructed many years back. However the CDFC has initiated programmes to refurbish 16 classrooms them. The CDFC had also a big challenge in implementing/completing projects since only one half of the annual budget had been received from NG-CDF Board by close of the year.

I wish to unge the NGCDF Board/NASC to continually increase the NGCDF allocations to enable more projects uptake and also timely disbursement of funds to constituencies.

Yours in service.

Guyo Bonaya

CHAIRMAN- NGCDF COMMITTEE

### 3. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

#### Introduction

Section S1 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF-SAKU Constituency's 2018-2023 plan are to:

To plan for medium and long-term projects,

To provide a strategic and clear direction in policy priority, clarity of vision, value and objectives for the fund,

To enhance teamwork and better understanding of project formulation and project prioritization in a more transparent and efficient manner and.

To make project supervision, monitoring and evaluation an objective exercise Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Education	To have all children of school going age attending school	Increased enrolment in primary schools and improved transition to secondary schools and tertiary institutions	Number of usable physical infrastructure build in primary, secondary, and tertiary institutions Number of bursary beneficiaries at all levels	In FY 2019/20 we increased the number of classrooms, dormitories, laboratories, dining halls, toilets etc by 25 in the following schools/institutions; Ilpus, Kubi Qallo, Dokatu, Boru Haro, Qachacha, Dirib Gombo, Goro Rukesa Primary Schools—among others; Karare Mixed, Badassa Mixed, Marsabit Boys, Goro Rukesa Mixed Secondary Schools among many others. Bursary beneficiaries at all levels increased

	Security	Increased security	Improved public access	Reduced crime rates	from 3,200 to over 4,500 During the year, the CDFC construction a	
		infrastructure and promote peaceful co-existence and cohesion among the communities	to seemily personnel		modern Police post, constructed several Chiefs offices among other security b projects	
	Staff	To develop staff capacity with focus on quality performance and service delivery	Increased degree of competency in provision of services to the public, low staff turnover and a motivated staff	Number of service related complaints by the Fund's stakeholders, mumber of staff training programmes, number of staff leaving service	During the year, the Fund carried 3 staff capacity building sessions, received 3 complaints on service delivery compared to 7 in the previous year and no staff left service	
The state of the s	Environment	Investment in environmental conservation and management best practices	Increased access to clean water	Number of tanks installed	During the Fy 2019/20 the constituency installed 8no. 10,000 tanks and 1no. 100,000ltr masonry tank	

#### 4. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF - SAKU Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

#### 1. Sustainability strategy and profile -

To be sustainable, Saku NG-CDF projects are supposed to meet the objectives of NG-CDF which is poverty reduction and sustainable development in the grassroots as elaborated in the Strategic plan with main focus on the four pillars of socio-economic development. Our projects focus on quality, cost optimization, time and scope during the planning and implementation stage. To ensure this, during the planning stage, projects are identified through Ward forums and the technical officers give cost estimates and adequate budgetary provide henceforth made by the NG-CDFC to ensure timely completion of the projects. Through involvement of locals in project identification, it ensures ownership of the projects by beneficiaries.

2. Pavino mental performance

The NG-CDFC strategic agenda recognizes the NG-CDF Board strategic plan and NEMA guidelines which provide that institutions must ensure compliance with environmental sustainability policy guidelines throughout the phases of project life that is during planning, implementation and after completion. To ensure this, the NGCDFC in cooperates all stakeholders in all stages of project life cycle.

3. Employee welfare

The Occupational Health and Safety Act (OSHA) provide for safety, health and welfare of employees. Saku NG-CDFC adheres to this by ensuring that the offices are well guarded, the offices are well cleaned and the staff are well remunerated. The NGCDFC is in the process of constructing a state of art office block to enhance staff welfare.

4. Market place practices-

- a) Responsible competition practice;In order to ensure responsible competiveness, Saku NG-CDFC ensures that all
  projects and programmes are deliberated through consensus undertaken during
  their monthly meetings with the Fund Manager guidance. The NG-CDFC has also
  created a Whatsup forum where members exchange views. The NG-CDFC also
  operates an open-door office policy in addressing issues by all stakeholders. It also
  holds Wards forums for projects identification. The office of the Member of
  Parliament is also housed in the same compound with NG-CDFC offices to enhance
  communication.
- b) Responsible Supply chain and supplier relations;—
  Saku NG-CDFC ensures that all contract obligations are met and in time, and ensuring the supply chain management observe the Public Procurement and Asset Disposal Act 2015. All contractors and suppliers are regularly given clear guidelines during their contract periods.
- c) Responsible marketing and advertisement;— Saku NG-CDFC has established a notice board including those in Government offices to communicate with suppliers on contracts.
- d) Product stewardship;-The NG-CDFC also ensures that contractors are given clear instructions when securing project sites and during projects implementation in order to protect beneficiaries from injuries.
- e) Community Engagements-The NG-CDFC motor regularly assists in taking patients to distant hospitals from their remote villages and during emergencies occasioned by natural factors like drought, floods etc.

#### 5. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-SAKU Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-SAKU Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the entity's financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-SAKU Constituency further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-SAKU Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

#### Approval of the financial statements

The NGCDF-SAKU Constituency financial statements were approved and signed by the Accounting

Officer on 50 2 2020.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - SAKU CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

#### REPORT ON THE FINANCIAL STATEMENTS

#### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Saku Constituency set out on pages 11 to 40, which comprise the statement of assets and liabilities as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Saku Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

#### **Basis for Qualified Opinion**

#### 1.0 Understated Cash and Bank Balances

As disclosed under Note 10A to the financial statements, the statement of assets and liabilities as at 30 June, 2020 reflects cash and cash equivalents balance of Kshs.24,021,896. However, the bank reconciliation statement for the month of June, 2020 reflects unpresented cheques totalling to Kshs.10,522,936 out of which Kshs.8,728,936 were stale and had not been replaced or reversed in the cashbook as a 30 June, 2020 thereby understating the cash and cash equivalents balance by the same amount.

Consequently, the accuracy of cash and cash equivalents balance of Kshs.24,021,896 as at 30 June, 2020 could not be confirmed.

#### 2.0 Unaccounted Fuel, Oil and Lubricants

As disclosed under Note 5 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.13,144,116 in respect of use of

Report of the Auditor-General on National Government Constituencies Development Fund - Saku Constituency for the year ended 30 June, 2020

goods and services which includes Kshs.3,727,310 relating to fuel, oil and lubricants out of which an amount of Kshs.3,255,755 was paid to a supplier for the supply of fuel. However, supporting documents including fuel registers, work tickets, details orders and statements of fuel consumption were not provided for audit.

Consequently, the occurrence and, accuracy of the expenditure of Kshs.3,255,755 for the year ended 30 June, 2020 could not be ascertained.

#### 3.0 Transfer to Primary Schools

#### 3.1 Construction of Classroom in Karare Primary School

As disclosed under Note 6 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.32,355,995 in respect of transfer to other Government entities which includes Kshs.6,699,295 relating to transfers to primary schools, out of which Kshs.1,499,950 was paid to a contractor for the construction of a classroom to completion at Karare Primary School. However, the Project Management Committee bank statements, quotations, notification of award, local service order and the inspection and acceptance report were not provided for audit.

In addition, physical verification of the project in November, 2020 revealed that although the substructure, superstructure and roofing were complete, the floor had developed cracks which could be an indication of poor workmanship.

In the circumstances, the validity and value for money for the expenditure of Kshs.1,499,950 for the year ended 30 June, 2020 could not be ascertained.

#### 3.2 Upgrading of Playground at Komboni Primary School

As disclosed under Note 6 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.32,355,995 in respect of transfer to other Government entities which includes Kshs.6,699,295 relating to transfers to primary schools out of which Kshs.800,000 was paid to a contractor for upgrading of a playground at Komboni Primary School. However, the project management committee bank statements, quotations, notification of award, local service order and the inspection and acceptance report were not provided for audit.

In addition, physical verification of the project carried out in November, 2020 revealed that the light grading and drainage works all costing Kshs.480,000 had not been implemented although they had been provided in the bill of quantities. This would have affected the usability of the facility especially during rainy periods.

In the circumstances, the validity and value for money for the expenditure of Kshs.800,000 for the year ended 30 June, 2020 could not be ascertained.

#### 3.3 Transfer to Secondary Schools - Construction of an Administration Block

As disclosed under Note 6 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.32,355,995 in respect to transfer to other Government entities which includes Kshs.23,157,660 in respect of transfers to secondary schools out of which Kshs.3,498,660 related to construction of an administration block at Marsabit Boys Secondary School. However, physical verification carried out in November, 2020 revealed that one (1) steel door size 1200mm \* 2400mm

costing Kshs.100,000 and one (1) steel door size 900mm \* 2400mm costing Kshs.25,000 all totalling Kshs.125,000 were not installed as per bill of quantities. Further, the contractor was to fix twelve (12) windows all totalling to Kshs.240,000 but only nine (9) were fixed totalling to Kshs.165,000 resulting to an overpayment of Kshs.75,000 for three (3) windows not installed. The contractor was therefore overpaid by Kshs.200,000 comprising of Kshs.125,000 for the doors and Kshs.75,000 for the windows.

In addition, the administration block had developed cracks which is an indication of poor workmanship.

Consequently, the validity and value for money for the expenditure of Kshs.200,000 for the year ended 30 June, 2020 could not be ascertained.

#### 4.0 Unaccounted Bursaries - Secondary Schools and Tertiary Institutions

As disclosed under Note 7 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.49,553,520 in respect of other grants and other payments which includes Kshs.15,675,300 and Kshs.17,248,400 relating to bursary disbursements to secondary schools and tertiary institutions respectively all totalling Kshs.32,923,700. However, supporting documents including the selection criteria, bursary selection committee minutes and acknowledgement from the beneficiary institutions were not provided for audit. It was therefore not possible to confirm the total applicants (longlist), successful applicants (shortlist), selection criteria and the objectivity, equity and fairness of the vetting process.

In the circumstances, it has not been possible to ascertain whether the bursaries totalling to Kshs.32,923,700 benefited the intended beneficiaries and whether they were expended as appropriated during the year ended 30 June, 2020.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Saku Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### Other Matter

#### **Budgetary Control and Performance**

The summary statement of appropriation - recurrent and development combined for the year ended 30 June, 2020 reflects an approved final receipts budget and actual on comparable basis of Kshs.192,308,556 and Kshs.122,940,831 respectively resulting to a shortfall of Kshs.69,367,726 or 36% of the budget.

Further, the statement reflects a final expenditure budget and actual on comparable basis of Kshs.192,308,556 and Kshs.98,918,936 respectively resulting to an under expenditure of Kshs.93,389,620 or 49% of the budget.

The underfunding may be an indication that some of the programmes and activities that had been planned were not implemented and hence denial of equivalent services to the residents of Saku Constituency.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

#### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

#### **Basis for Conclusion**

#### 1.0 Unsupported Committee Allowances

As disclosed under Note 5 to the financial statements, the statement of receipts and payments reflects Kshs.13,144,116 in respect of use of goods and services which includes Kshs.433,800 and Kshs.6,913,000 in respect of other committee expenses and committee allowances respectively all totalling to Kshs.7,346,800 and which relates to Constituency Development Fund Committee (CDFC) activities. However, programs of activities and dates, projects visited, mode of transport and back to office reports were not provided for audit.

In the circumstances, the validity and value for money for the expenditures of Kshs.7,346,800 for the year ended 30 June, 2020 could not be confirmed.

#### 2.0 Construction of Classroom at Dokatu Primary School

As disclosed under Note 6 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects Kshs.32,355,995 in respect of transfer to other Government entities which includes Kshs.6,699,295 relating to transfer to primary schools out of which an amount of Kshs.1,599,860 was paid to a contractor for construction of one classroom at Dokatu Primary School. However, the project management committee bank statements, quotations, notification of award, Local Service Order (LSO) and the inspection and acceptance report were not provided for audit contrary to Section 15(1) of the National Government Constituency Fund Regulations, 2016 which stipulates that project management committee should implement projects in consultation with the relevant departments of government, maintain proper records of all minutes, accounting documents and other records in relation to projects being implemented, account for funds, undertake project closure, labelling and handover upon completion.

Physical verification of the project carried out in November, 2020 revealed that the floor had developed cracks even before being put in use which is an indication of poor workmanship.

In the circumstances, the validity and value for money for the expenditure of Kshs.1,599,860 for the year ended 30 June, 2020 could not be ascertained.

#### 3.0 Routine Maintenance - Vehicles and Other Transport Equipment

As disclosed under Note 5 of the financial statements, the statement of receipts and payments reflects Kshs.13,144,116 in respect of use of goods and services which includes Kshs.1,219,261 related to routine maintenance - vehicles and other transport equipment out of which Kshs.1,100,825 was paid to a supplier for repairs of motor vehicles. However, the Fund procured the services directly from the supplier without justification contrary to Section 103(2) (a) to (e) of the Public Procurement and Asset Disposal Act, 2015 which stipulates the conditions of when direct procurement may be used. Further, the pre-mechanical and post mechanical inspection reports were not provided for audit contrary to Section 48(3)(b) of the Public Procurement and Asset Disposal Act, 2015 which states that the Inspection and Acceptance Committee shall immediately after delivery of goods, works and services inspect and review the same in order to ensure compliance with the terms and specifications of the contract.

In the circumstances, the validity and value for money for the expenditure of Kshs.1,100,825 for the year ended 30 June, 2020 could not be ascertained.

#### 4.0 Emergency Projects

As disclosed under Note 7 to the financial statements, the statement of receipts and payments reflects Kshs.49,553,520 in respect of other grants and other payments which includes Kshs.1,849,940 in respect of emergency and which was paid to a firm for the supply of lockers, chairs and uniforms to Moi Girls High School and ACK St. Peters Mixed Secondary School. However, the application for emergency funding and report on the urgent unforeseen situation were not provided for audit. Therefore, it is not possible to ascertain whether the expenditures were of emergency nature as stipulated in Section 8(3) of the National Government Constituencies Development Fund Act, 2015.

In the circumstances, it is not possible to ascertain whether the expenditure of Kshs.1,849,940 was a proper charge to public funds and whether it had equivalent value for money during the year ended 30 June, 2020.

#### 5.0 Project Implementation Status

Review of the project implementation status report as at 30 June, 2020 revealed that out of seventy-one (71) projects worth Kshs.128,001,481 budgeted to be undertaken during the year under review out of which twenty-eight (28) projects worth Kshs.45,620,431 had not started.

In view of the foregoing, the constituents did not get the expected services equivalent to the twenty-eight (28) projects not started amounting to Kshs.45,620,431 for the year ended 30 June, 2020. This is an indication of inefficient project implementation, monitoring and evaluation mechanisms.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that

govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

#### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

#### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit so as to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

#### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists,
   I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other of matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other of matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS AUDITOR-GENERAL

Nairobi

04 February, 2022

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – SAKU CONSTITUENCY

#### Reports and Financial Statements For the year ended June 30, 2020

#### 12.SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

#### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

#### 2. Reporting Entity

The financial statements are for the NGCDF-SAKU Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

#### S. Reacting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

#### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

#### a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

#### Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

#### Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

#### **External Assistance**

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

**Compensation of Employees** 

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

#### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

**Acquisition of Fixed Assets** 

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

#### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value.

Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

#### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

#### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

#### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

#### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

#### 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1<sup>st</sup> July 2019 to 30<sup>th</sup> June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

#### 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

#### 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

#### 14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

#### 15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

#### PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe (Put a date when you expect the issue to be resolved)
1.0	Comparative balances	This has since been corrected	FAM	Resolved	
2.1	Construction of Karare Chiefs Office; -  Note 7 to the financial statements reflects other grants and other payments balance of Ksh. 30,562,558 which includes Ksh. 6,896,310 in respect to security which includes Kshs 1,998,900 paid out for construction of Karare Chief's office during the year under review, but whose contract had been awarded in the previous year 2016/2017. A physical verification carried out in the month of January 2019 and a review of the bill of quantities revealed that even though the Office was complete and	The issue of electrical installation and guttering of the office was taken up with the Sub-County Works Officer who supervised the works and issued a certificate of practical completion to see to it that the works are done. Electrical installation has since been done, while the gutters are being installed.  On handing over of the office, this was done officially on 31st May 2018 by the Member of Parliament Hon. Dido Rasso.  Though the PMC was disbanded after completion of the project, the PMC secretary and Treasurer has been requested to provide the project/returns/file.	FAM	Resolved	To be resolved by 30/10/19
