### I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

### (a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

### Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;

b) Facilitate the performance and implementation of national government functions in all parts

of the Republic pursuant to Article 6(3) of the Constitution;

c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;

d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10

(2) (b) of the Constitution;

e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;

f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;

g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of

concern to the people as provided for under Article 95 (2) of the Constitution;

h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;

i) Authorize withdrawal of money from the Consolidated Fund as provided 'under Article 206

(2) (c) of the Constitution;

Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and

k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in

accordance with the Constitution

During the year under review, the constituency received only 50% of its 2019-2020 budgetary allocation amounting to Ksh .70M and ksh 49.5M for the 2018-2019 financial year. The table below shows the percentage of funds utilized against the total budget for each expense item.

The overall absorption of the available funds was however impressive since out of the total funds of ksh 119M received during the year, and the balance brought forward from last year of ksh 10M both totalling to ksh 129M, 108M was utilized during the year under review. This translates to 84% absorption rate.

Among the emerging issues negatively affecting the fund during the year under review were the emergence of the deadly *Corona virus* pandemic in the middle of the year which has wreaked havoc on all key activities of the fund. Meetings, sporting activities and all institutions of learning were closed indefinitely just as the committee was processing bursaries for both secondary and tertiary institutions. The reopening of the same remains uncertain as the pandemic was worsening at the closure of the financial year.

The fund will continue supporting the pandemic containment measures to the extent allowable under the NG-CDF Act.

### III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

### Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF-TIGANIA EAST Constituency's 2018-2022 plans are;

- a) To be the leading constituency in providing holistic education for sustainable development and education that is globally competitive.
- b) To create a 24/7 hour investors and talents development hub.
- c) To establish a firm foundation towards a developed and prosperous constituency that is clean, secure and infrastructural sound.

### Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and timebound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Education	To have all children of school going age attending school	Increased enrolment in primary schools and improved transition to secondary schools and tertiary institutions	- Number and quality of usable physical infrastruct ure built in primary, secondary, and tertiary institutions - number of bursary beneficiarie s at all levels	In FY 19/20 we improved the physical infrastructure in 21 secondary schools and 29 primary schools asper the attached schedulesMost of the bursaries had not been disbursed due to closure of education institutions as a result of <i>corona virus</i> pandemic
Security	To reduce incidences of cattle rustling and other crimes in the constituency	Build police posts, administration police posts and sub county administration	Number of police posts and staff quarters completed. ### IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – TIGANIA EAST Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

### 1. Sustainability strategy and profile -

The NG-CDFC has adopted a continuous stakeholder involvement in all its activities to ensure success and sustainability of our programmes. Continuous capacity building and projects monitoring by all stakeholders is integrated in all activities as well as promoting continuous feedback from all stakeholders.

Gender and disability issues have also been mainstreamed in our activities.

### 2. Environmental performance

The constituency has diversified its environment activities to include promotion of rain water harvesting in addition to increasing forest cover by planting at least 20,000 trees every year. To increase the chances of survival of the trees, the NG-CDFC has continued to consult the environmental experts in the forestry department to ensure the right tree varieties have been planted in accordance with the climatic conditions in the beneficiary institutions.

### 3. Market place practices-

The NG-CDFC is an equal opportunity employer and gives procurement opportunities to all by promoting fair competition in all its projects procurements.

Prompt payment for goods supplied or services rendered is guaranteed as payments are made within a week of delivery or successful completion of contracted works upon inspection by the inspection and acceptance committee and certification by the works officer. Any complaints regarding contracts are amicably resolved through site meetings and fair adjudication by technical officers and the relevant NG-CDFC sub- committee.

### 4. Community Engagements-

The NG-CDFC involves the community at all levels of the projects life cycle. Projects are identified in stakeholder forums, are managed by the project management committees whose membership is drawn from the beneficiary community and once complete, the projects are handed over to the community for project ownership and sustainability to be guaranteed.

The NG-CDFC in all its community BARAZAS addresses crosscutting issues like drug and substance abuse, gender, disability and youth mainstreaming ,HIV-AIDS and more recently- COVID 19 containment issues.

### STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-TIGANIA EAST Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-TIGANIA EAST Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the entity's financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-TIGANIA EAST Constituency further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-TIGANIA EAST Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-TIGANIA EAST Constituency financial statements were approved and signed by the

Accounting Officer on 30.9 + 2020.

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - TIGANIA EAST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

### REPORT ON THE FINANCIAL STATEMENTS

### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Tigania East Constituency set out on pages 11 to 38, which comprise the statement of financial assets and liabilities as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Tigania East Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015.

### **Basis for Qualified Opinion**

### 1.0 Presentation of the Financial Statements

The Fund's financial statements for the year ended 30 June, 2020 submitted for audit review contains the following anomalies;

- i. The Fund financial statements for the year ended 30 June, 2020 did not include a separate summary statement of appropriations recurrent and a summary statement of appropriation development contrary to the Public Sector Accounting Standards Board (PSASB) template issued in June, 2020.
- ii. Notes 6 and 7 to the financial statements reflects Kshs.53,542,027 and Kshs.42,394,525 in respect of transfer to other government entities and other

grants and other payments respectively, which includes sub-components each with a reference, "see attached list". However, the referred lists are not attached to the financial statements.

In the circumstances, the Fund's financial statements are not presented in accordance with the stipulated PSASB prescribed format.

### 2.0 Accuracy of the Financial Statements

### 2.1 Misstated Project Management Committee Comparative Account Balances

Note 17.4 to the financial statements reflects Kshs.2,757,146 in respect of prior year Project Management Committee (PMC) account balances. However, the 2018/2019 financial statement reflects a total of Kshs.3,006,595 for the balances resulting in unexplained and unreconciled variance of Kshs.249,449.

In the circumstances, the accuracy of the Kshs.2,757,146 in respect of comparative balances reflected in the financial statement could not be confirmed.

### 2.2 Variance between Financial Statement Balance and Supporting Schedule

Note 5 to the financial statements reflects Kshs.7,701,500 in respect of committee expenses under use of goods and services. However, the respective supporting schedules reflects Kshs.7,710,000 in respect of the expenses resulting in unexplained and unreconciled variance of Kshs.8,500.

In the circumstances, the accuracy of the Kshs.7,701,500 in respect of committee expenses for the year ended 30 June, 2020 could not be confirmed.

### 3.0 Cash and Cash Equivalents

Note 10A to the financial statements reflects Kshs.21,020,588 in respect of bank accounts (cash book bank balance). Review of the bank reconciliation statement for account balances as at 30 June, 2020 revealed unpresented cheques totalling Kshs.29,239,397 which included stale cheques amounting to Kshs.13,154. The stale cheques had not been reversed in the cash book.

Further, the bank reconciliation statement reflects receipts in cash book not yet recorded in bank statement of Kshs.16,000 relating to a cheque number 6979 dated 6 December, 2019. However, the cheque was stale as at 30 June, 2020, therefore, overstated the cash and cash equivalents balance by the same amount.

In the circumstances, the accuracy of the cash and cash equivalents balance of Kshs.21,020,588 as at 30 June, 2020 could not be confirmed.

### 4.0 Transfers to Secondary Schools

Note 6 to the financial statements reflect Kshs.53,542,027 in respect of transfers to other government entities. The amount includes Kshs.24,877,027 transferred to secondary

schools which further includes Kshs.1,350,000 and Kshs.500,000 disbursed to Thubuku and Ametho secondary schools respectively.

The Funds were disbursed to the respective Project Management Committees of Thubuku and Ametho on 5 December, 2019 vide cheques number 7938 and 7934 for construction of two (2) ablution blocks and completion of a laboratory building respectively. However, as at the time of the audit in December, 2020, which was approximately twelve (12) months after the funds were disbursed, the projects had not been implemented.

Further, the PMC bank statement balance for Thubuku secondary school as at 28 November, 2020 was Kshs.696,359. However, no evidence was provided for audit review on how the difference of Kshs.653,641 was utilized.

### 5.0 Incomplete Project

Note 7 to the financial statements reflects Kshs.42,394,525 in respect of other grants and other payments which includes Kshs.10,600,000 in respect of security projects. The project payments includes Kshs.850,000 disbursed to the Project Management Committee for construction to completion of Gatithine Assistant Chief's office on 5 December, 2019. A review of expenditure documents revealed that Kshs.451,682 had been spent while the balance of Kshs.398,318 was still in the PMC bank account as at November, 2020. However, the Kshs.451,682 expenditure was not supported by certificates of works.

Further, other supporting documents including Bill of Quantities and contract agreement were not availed for audit review. In addition, audit verification at the project site in December, 2020, revealed that the contractor was not on site and the project appeared abandoned.

In the circumstances, the validity and value for money for the Kshs.850,000 expenditure for the year under review could not be confirmed.

### 6.0 Unsupported Disbursements Bursary

Note 7 to the financial statements reflects Kshs.42,394,525 in respect of other grants and other payments which includes Kshs.13,469,000 in respect of bursaries to tertiary institutions. However, only Kshs.5,196,000 or 39% was acknowledged as having been received by the respective institutions while the balance amounting of Kshs.8,273,000 or 61% was not supported by list of beneficiaries and the respective acknowledgement from the institutions.

Similarly, of the acknowledged amount of Kshs.13,469,000, a list of beneficiaries for Kshs.1,321,000 was not availed for audit review.

Consequently, it was not ascertained whether the bursaries benefitted the intended learners and whether the amount was expended as appropriated during the year under review.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Tigania East Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

### 1.0 Budgetary Control and Performance

The summary statement of appropriation – recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs.205,589,026 and Kshs.129,721,302 respectively resulting to shortfall of Kshs.75,867,724 or 37% of the approved budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis totaling to Kshs.205,589,026 and Kshs.108,700,714 respectively, resulting in underperformance amounting to Kshs.96,888,312 or 47% of the budget.

The underfunding and under expenditure affected the planned activities and may have impacted negatively on service delivery to the residents of Tigania East Constituency.

### 2.0 Unutilized Project Management Committee (PMC) Funds

Note 7 to the financial statements reflects Kshs.42,394,525 in respect of other grants and other payments which includes Kshs.10,600,000 for security projects. The amount further includes Kshs.1,500,000 and Kshs.1,000,000 disbursed to project management committees of Lucielubai and Mwokaila Administration Police (AP) lines respectively.

The Funds were disbursed to the respective PMCs in December, 2019 vide cheques No.7962 and 7961 respectively. However, the amount was still in the PMC accounts in December, 2020 which was twelve (12) months after the funds were released. The Management attributed non-utilization to land disputes affecting project sites. However, no evidence was availed for audit review in support of the said land dispute.

In the circumstances, the value for money for the Kshs.2,500,000 in the year under review could not be confirmed.

### 3.0 Project Implementation Status (PIS)

The project implementation status report as at 30 June, 2020 provided for audit review indicated that one hundred (100) projects with an allocation of Kshs.119,106,389 were budgeted to be implemented during the year under review. However, twenty (20) projects

with a total allocation of Kshs.11,615,000 were completed, twenty-five (25) projects allocated Kshs.47,829,708 were ongoing while fifty-five (55) projects with a budget allocation of Kshs.59,661,681 had not been started as summarized below;

	Amount	Amount		
	Allocated	Disbursed	No. of	
Projects	(Kshs.)	(Kshs.)	Projects	Status
Environment	1,300,000	1,300,000	13	6
Primary Schools	6,065,000	6,065,000	6	
Security	2,250,000	2,250,000	3	Completed
Environment	1,000,000	1,000,000	10	
NG CDF - Toilet	1,000,000	1,000,000	1	
Sub-total	11,615,000	11,615,000	20	~
Primary Schools	2,400,000	2,400,000	2	Ongoing
Secondary Schools	3,400,000	3,400,000	5	
Environment	1,747,354	1,747,354	15	
Sports	2,747,354	2,747,354	1	-
Bursary-Secondary	17,535,000	17,535,000	1	
-Tertiary	20,000,000	20,000,000	1	
Sub-total	47,829,708	47,829,708	25	
Primary Schools	30,561,681	0	33	Not started
Secondary schools	26,600,000	0	19	
Security	2,500,000	0	3	
Sub-total	59,661,681	0	55	Employee hours
Total	119,106,389	59,444,708	100	

Consequently, Tigania East constituents did not get expected services from the allocation of Kshs.47,829,708 for the on-ongoing projects and the Kshs.59,661,681 for projects that had not started all totalling to Kshs.107,491,389.

Further, out of the Kshs.188,347,196 development budget that was earmarked for project implementation, only Kshs.97,309,052 comprising Kshs.53,542,027, Kshs.42,394,525, Kshs.372,500 and Kshs.1,000,000 in respect of transfers to other government entities, other grants and other payments, acquisition of assets and, other payments respectively was released by the Board while the remaining funds amounting to Kshs.91,038,144 was not released, and which may have affected implementation of budgeted projects during the year.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

### 1.0 Other Grants and Other Payments

### 1.1 Unjustified Use of Emergency Reserve

Note 7 to the financial statements reflects Kshs.42,394,525 in respect of other grants and other payments which includes Kshs.10,550,000 relating to emergency projects. The payments include Kshs.4,499,619 to a firm for road improvement works including heavy bush clearing, ditch water draining, concrete works, provision of gravel, spread water and compacting along Kioro-Irindiro-Ngutu road.

However, the amount was charged to emergency reserves without justification contrary to Section 8(3) of the National Government Constituencies Development Fund Act, 2015 which states that "Emergency" shall be construed to mean an urgent, unforeseen need for expenditure for which it is in the opinion of the committee that it cannot be delayed until the next financial year without harming the public interest of the constituents.

In the circumstances, the Management is in breach of the Law.

### 1.2 Completed Project Not in Use

Note 7 to the financial statements reflects Kshs.10,600,000 in respect of security projects. The amount includes Kshs.1,000,000, Kshs.1,500,000 and Kshs.750,000 disbursed to project management committees of Rwongo Rwa Buri, Ntamichiu and Ngongoaka sublocations respectively all totaling to Kshs.3,250,000 for construction of assistant chief's offices in each of the three sub-locations. However, an audit verification of the projects carried out in December, 2020 revealed that the projects, though completed, were yet to be put to use and there was no indication on when the same will be put to use.

In the circumstances, the value for money for the Kshs.3,250,000 expenditure on construction of the offices during the year could not be confirmed.

### 2.0 Unauthorized reallocation of Funds

Note 6 to the financial statements on transfers to other government entities reflects Kshs.28,665,000 in respect of transfers to primary schools. The amount includes Kshs.1,500,000 and Kshs.300,000 disbursed to Kalantina primary school for completion of an administration block and a classroom respectively both totalling to Kshs.1,800,000.

Physical verification of the projects in December, 2020 revealed that the entire amount of Kshs.1,800,000 was spent to complete the administration block. However, no approval was availed for audit review for reallocation of the Kshs.300,000 meant for the classroom contrary to Section 6 (2) of the National Government Constituencies Development Fund Act, 2015 which provided that once funds are allocated for a particular project, they shall remain allocated for that project and may only be re-allocated for any other purpose during the financial year with the approval of the Board.

In the circumstances, the Fund is in breach of the Law.

### 3.0 Summary of Fixed Assets

### 3.1 Unserviceable Transport Equipment

As reported in the previous year, Annex 4 to the financial statements reflects Kshs.18,640,491 in respect to historical costs of fixed assets as at 30 June, 2020 which includes Kshs.10,450,000 in respect of transport equipment. However, included in the amount are grounded and unserviceable motor vehicle registration GK A633R Toyota Hilux D4D and a motorcycle registration No. GK 206N Suzuki Dual Sport with historical costs of Kshs.3,264,012 and Kshs.459,128 respectively. No explanation was given as to why the assets had not been earmarked for disposal contrary to Section 163(1) of the Public Procurement and Assets Disposal act, 2015 which state that an accounting officer shall establish a disposal committee as and when prescribed for the purpose of disposal of unserviceable, obsolete, obsolescent, or surplus stores, equipment or assets.

In the circumstances, the Fund Management is in breach of the Law.

### 3.2 Unserviceable Furniture and Fittings

As reported in the previous year, Annex 4 to the financial statements reflects Kshs.18,640,491 as historical cost of fixed assets as at 30 June, 2020. Included in the cost was Kshs.277,800 in respect of thirteen (13) items classified as not serviceable as shown in the table below;

	Type of Asset	Asset Serial Number	Acquisition Date	Cost (Kshs)
1	Executive High Leather Chair	CDF/055/1EL/1	01 August, 2007	39,500

13	Modem	CDF/055/11MOD/1		5,000
	TOTAL			277,800

However, no explanation was given as to why the items have not been earmarked for disposal contrary to section 163(1) of the Public Procurement and Asset Disposal Act, 2015.

### 3.3 Failure to Tag Assets

As reported in the previous year, Annex 4 to the financial statements reflects Kshs.18,640,491 in respect of historical costs of fixed assets as at 30 June, 2020. The assets include office equipment, furniture and fittings valued at Kshs.1,541,000, ICT

equipment, software and other ICT Assets valued at Kshs.499,491 and other machinery and equipment valued at Kshs.150,000 all totalling to Kshs.2,190,491. However, the assets were not coded or tagged for ease of identification and tracking contrary to Regulation 139(1) of the Public Finance Management (National Government) Regulations, 2015 which states that an Accounting Officer of a national government entity shall take full responsibility and ensure that proper control systems exists for assets and that preventive mechanisms are in place to eliminate theft, security threats, losses, wastage and misuse and movement and conditions of assets can be tracked.

In the circumstances, the Fund management was in bleach of the law and the safeguards assets valued at Kshs.2.190.491 as at 30 June. 2020 assets could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT SYSTEMS AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the procedures performed, except for the matters described in the Qualified Opinion section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain services, disclosing, as applicable, matters related to

sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions, and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance review is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and review of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not

reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern or to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit. I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements

For the year ended June 30, 2020

### XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### 2. Reporting Entity

The financial statements are for the NGCDF-TIGANIA EAST Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

### a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

### Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

### Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) -

TIGANIA EAST CONSTITUENCY

Reports and Financial Statements

### SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) -

TIGANIA EAST CONSTITUENCY
Reports and Financial Statements

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

Reports and Financial Statements

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

### 14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.
