CHAIRPERSON'S FOREWORD

The County Governments Additional Allocations Cash Disbursement Schedule is submitted to the Senate by the National Treasury and Economic Planning pursuant to section 17 of the Public Financial Management Act, Cap.412A. The purpose of the schedule is to ensure predictability in the monthly transfer of funds to the respective County Revenue Funds.

The Schedule, therefore, serves as a guide and facilitates a predictable flow of funds to the county governments and thus enables counties to undertake critical functions in the delivery of services to the citizens.

The County Governments' (Additional Allocations) Cash Disbursement Schedules contains additional allocations for each county as approved by Parliament in the County Governments Additional Allocations Act, 2025. Following the enactment, the National Treasury transmitted to the Senate the Cash Disbursement Schedule for the Financial Year 2024/25. This schedule was tabled in the Senate on 27th May, 2025. Section 17 of the PFMA, Cap.412A requires the Senate to approve the Schedule to enable the National Treasury disburse the monies to the respective county governments.

The County Governments (Additional Allocations) Cash Disbursement Schedules for Financial Year 2024/2025 contains-

- a) conditional allocation financed from the national government's share of revenue contained in the First Schedule amounting to Ksh.8,417,140,360;
- b) unconditional allocations from court fines contained in the Second Schedule amounting to Ksh.116,092,724.00; and
- c) conditional allocations financed from proceeds of loans and grants from development partners contained in the Third Schedule amounting to Ksh.37,089,957,743.

The amount in Third Schedule excludes Ksh.3.712 billion from IDA (World Bank) and Ksh.1.2 billion from German Development Bank (KfW), both for Financing Locally

Led Climate Action (FLLoCA)- County Climate Resilience Investment Grant (CCRIG) whose allocation is performance based. The criteria for assessment to determine the performance score is provided in section 5 of the Act.

Upon tabling, the Cash Disbursement Schedule was committed to the Standing Committee on Finance and Budget for consideration and subsequent reporting back to the House.

The Committee considered the Cash Disbursement Schedules and observed that, disbursement will be made in two tranches. The first tranche will be transferred to counties in May, 2025 while the other will fall due in June, 2025. However, the funds from proceeds of loans and grants from Development Partners will be disbursed in one tranche which falls due in the month of May, 2025.

Following consideration of the Schedule, the Standing Committee recommends that the County Governments' (Additional Allocations) Cash Disbursement Schedules be approved as tabled in the Senate on 27th May, 2025.

Acknowledgements

The Committee acknowledges the National Treasury for their submissions of the County Governments' (Additional Allocations) Cash Disbursement Schedules which is a critical requirement in the execution of the county governments budget.

The Committee thanks the Offices of the Speaker and the Clerk of the Senate for the support extended to the Committee in the execution of its mandate.

I also wish to thank the Members of the Committee for their patience, sacrifice and commitment to completing the assigned task within the stipulated time.

It is now my pleasant duty and privilege, on behalf of the Standing Committee on Finance and Budget, to present to the Senate, the Report of the Committee on the County Governments' (Additional Allocations) Cash Disbursement Schedules for Financial Year 2024/2025.

I. INTRODUCTION

- 1. Section 17(6) and (7) of the Public Finance Management Act, Cap.412A requires the National Treasury, in consultation with the International Budget and Economic Council (IBEC) and with the approval of the Senate, to prepare Cash Disbursement Schedules for monies to be disbursed to county governments and publish in the Gazette as approved not later than 30th May of every year.
- 2. Following the approval of the County Government Additional Allocation Bill for Financial Year 2024/25 by Parliament and subsequent presidential assent on 8th May, 2025, the National Treasury submitted the County Governments' (Additional Allocations) Cash Disbursement schedules for FY 2024/25 to the Senate for approval.
- 3. The allocations in the schedules are in line with the allocations provided for in the County Government Additional Allocations Act, (CGAAA) 2025 as follows;
 - (i) **First Schedule** Disbursement of conditional allocations financed from the National Government's share of revenue– **KSh.8.42 billion** comprising-
 - **Ksh.523.1 million** conditional allocations for the construction of county headquarters,
 - **Ksh.2.9 billion** -conditional allocations for the County Aggregation and Industrial Parks (CAIPs) Programme,
 - Ksh.3.234 billion-conditional allocations for the Community Health Promoters (CHPs) project, and
 - **Ksh.1.759 billion** -conditional allocations for basic salary arrears for county government health workers.
 - (ii) Second Schedule Disbursement of the unconditional Allocations from Court Fines amounting to Ksh.116.1 million (Which includes FY 2023/24 Court Fines allocation -Ksh.108.7 million and Ksh.7.4 million for FY 2024/25 allocation.).
 - (iii) **Third Schedule** Disbursement of the conditional Allocations financed from proceeds of loans and grants from the Development Partners KSh.37.09

billion. This excludes Ksh.3.71 billion from IDA (World Bank) AND Ksh.1.2 billion from KfW).

II. CONTENTS OF THE CGAA CASH DISBURSEMENT SCHEDULES FOR FY 2024/25.

- a) First schedule on Conditional Allocations financed from the National Government's Share of Revenue.
- 4. The First Schedule outlines the disbursement of conditional additional allocations to County Governments from the National Government's share of revenue. Specifically, the allocations are for the County Aggregation and Industrial Parks Programme (Ksh.2.9 billion), allocation of Ksh.523.1 million for the Supplement Construction of County Headquarter, allocation of Ksh.3.2 billion for the Community Health Promoters (CHPs) Project and allocation of Ksh.1.8 billion for the Basic Salary Arrears for County Government Health Workers.
- 5. According to the Schedule, the funds for the projects shall be disbursed in two phases, with each phase having a half amount (50%) of the total allocation for each project. The disbursement period ought to be scheduled from July 2024 to June 2025. However, due to delay in the enactment of the Bill, the disbursements are scheduled to be actualised in the months of May, 2025, and June, 2025.
- 6. The Schedule exclusively provides the amount each county will receive in each month (in the two months) and under each of the projects or Programme outlined in the County Governments Additional Allocations Act, 2025.

b) Second Schedule on Unconditional Allocations from Court Fines

- 7. The Second Schedule indicates the disbursement plan for the unconditional allocations accruing from court fines. This allocation arises from collection of fines by the Judiciary in enforcing county legislation. The disbursement is scheduled to be into two equal halves, for the month of May and June 2025. This implies that out of the Ksh.116.1 million, Ksh.58.04 million is going to be disbursed in May, 2025 and the balance of Ksh.58.04 million in June, 2025.
- 8. The monthly disbursements are summarised in Table 2.

Table 2: Disbursement of the unconditional allocations as provided in Second schedule.

June- 2025 (50%)	58,046,362

c) Third Schedule on Conditional Additional Allocations financed from the proceeds of loans and grants from development partners

9. The Third Schedule contains the approved transfers of the conditional additional allocations financed from the proceeds of loans and grants from the development partners, amounting to Ksh. KSh.37.09 billion. It is indicated that this amount excludes the allocations from IDA (World Bank)-Ksh. 3.71 billion and Ksh. 1.2 billion from KfW (German Development Bank); all of which are for the Financing Locally- Led Climate Action (FLLoCA) Program- County Climate Resilience Investment (CCRI) Grants. The two components of the FLLoCA Program shall be disbursed in accordance with section 5(6) of the County Government Additional Allocations Act, 2025. This is after a performance appraisal set out in section 5(4) of the Act.

- 10. The criteria entails an assessment to determine the eligible county governments' performance score for purposes of determining the performance of County Climate Resilience Investment (CCRI). Once these assessment is done and eligibility is ascertained, the disbursement shall be as follows; the first fifty percent of the total allocation shall be transferred on the basis of factors that reflect relative expenditure needs for climate action, including the variables of a fixed share at 33.3 percent, rural population at 30 percent, rural area at 13.3 percent, and poverty at 23.3 percent, whereby the weights are based on the formula for allocating the share of the national revenue among counties and the second fifty percent of the total allocation shall be on the basis of the scores for the performance measures, weighted with the revenue sharing basis under Article 217 of the Constitution.
- 11. The allocations amounting to Ksh.37.1 billion is proposed to be disbursed in one tranche, in the month of May, 2025. The schedule clearly indicates the amount each county will receive under each project as well as the total amount each county will receive from the overall projects.

III. OBSERVATIONS

- 12. The following observations have been made
 - a) The cash disbursements of the allocations under the First Schedule and the Second Schedules shall be based on performance of revenue raised at the National Government level. This implies that in event of revenue shortfalls towards the end of the financial year, real transfers to these projects may be delayed.
 - b) Further, it is indicated that cash disbursement from the court fines will be based on the performance of revenue raised by the National Government. This implies that transfers to these funds may be delayed due to underperformance of nationally collected revenue, which should not be the case. It is worth noting that the court fines do not accrue from revenue raised nationally but are entitlements to counties, since the money had already been collected by the Judiciary on behalf of the county governments.
 - c) Regarding the allocation of the FLLoCA Program(s), County Climate

Resilience Investment (CCRI) Grant projects, it is not clear whether eligible counties have been assessed on the basis set out in section 5(6)(1) of the Act. Noting the time remaining to the end of the financial year, there is uncertainty in the disbursement of FLLoCA grants to beneficiary counties in FY2024/25.

IV. RECOMMENDATIONS

- 13. Having considered the above matters, the Committee recommends-
 - That, the Senate approves the County Governments' (Additional Allocations) Cash Disbursement Schedules as tabled on 27th May, 2025.
 - ii. That, the National Treasury should adhere to the cash disbursement schedules and prioritize transfers to the projects contained in the CGAA Act given that no amounts have been transferred since the beginning of Financial Year 2024/25.
 - iii. That, with regard to the allocation for the Financing Locally-Led Climate Action (FLLoCA) Program (County Climate Resilience Investment (CCRI) Grant), the National Treasury should expedite assessment of counties on the basis of the criteria in section 5(6) (l) of the County Government Additional Allocations Act, 2025 to ensure the funds are disbursed in a timely manner without delay.

MEETING WITH THE SENATE
MAJORITY LEADER, SEN. AARON
CHERUIYOT, EGH, MP, TO
DELIBERATE ON THE BILLS BEFORE
THE COMMITTEE-COMMITTEE PAPER
NO. 132A

The Committee was briefed on the following Bills that were referred to the Committee that have same or similar provisions-

- a) Public Finance Management (Amendment) (No.2) Bill (National Assembly Bills No.26 of 2024) with similar provisions contained in the Public Finance Management (Amendment) Bill (Senate Bills No.27 of 2024).
- b) The County Governments (Revenue Raising Process) Bill (National Assembly Bills No. 11 of 2023) with same provisions contained in the County Governments (Revenue Raising Process) Bill, 2023, (Senate Bills No. 22 of 2023).

The Committee processed County Governments (Revenue Raising Process) Bill, 2023, (Senate Bills No. 22 of 2023), and observed that the establishment of the Inter-Agency Committee whose mandate would be approval of introduction of new county taxes, fees, levies and charges is against the spirit of devolution as envisaged in the Constitution would be equivalent to usurping the powers of the county governments. Therefore, the Committee recommended that the Senate does not approve the Bill, and that Counties to implement Integrated County Revenue Management System to enhance collection of own source revenue

c) The Public Finance Management (Amendment) (No.3) Bill (National Assembly Bills No. 44 of 2024) with similar provisions (financing transferred functions) contained in the Public Finance Management (Amendment) Bill, (Senate Bills No.40 of 2023) sponsored by Sen. Hamida Kibwana, MP.

Following deliberations with the Senate Majority Leader, the Committee resolved as follows-

a) All the amendments to the Public Finance Management Act be consolidated into one Bill.

- b) The Senate Majority Leader will write to the National Assembly Majority Leader requesting for fast tracking of the Public Finance Management (Senate Bills No.40 of 2024).
- c) In the amendments in (a) above, the Committee will include a provision on annual fiscal deficit to ensure that the 55% GDP to debt ratio threshold is achieved by 2030.
