- 8\*. **THE NATIONAL POLICE SERVICE (AMENDMENT) BILL**  
**(NATIONAL ASSEMBLY BILL NO. 39 OF 2025)**  
(The Hon. Oku Kaunya, M.P.)

First Reading

- 9\*. **MOTION: 044/2023 – FORMULATION OF A LAND USE POLICY**  
**ON ZONING OF LAND FOR AGRICULTURE**  
**AND BUILT DEVELOPMENT**  
(The Hon. Timothy Wanyonyi, M.P.)

**THAT** aware that land is a critical but limited factor of production that supports human habitation and food production; noting that, agriculture is Kenya's main economic mainstay; appreciating that, that the Central Bank of Kenya (CBK) Monetary Policy Committee Agriculture Sector Survey 2022 estimated the contribution of the agriculture sector to the country's Gross Domestic Product (GDP) to be 22% directly and 27% indirectly, through its linkages with other sectors; further appreciating that, the Survey showed that the sector employs over 40% of the Kenya's total population; concerned that, in the *Land Reform, Vol. 3* publication, the Kenya Land Alliance Land estimated that only 17% of the country's land mass is classified as suitable for rain-fed agriculture land while the remainder is either semi-arid or arid; further concerned that, the country's agricultural productivity has been decreasing over the years; cognizant of the fact that, the decline in agricultural productivity is partly attributable to the shrinking agricultural land due to unplanned settlements that encroach on agricultural lands; further concerned that, agricultural lands in rural areas are continually being subdivided into small portions for built development, thereby

diminishing the size of land available for agriculture; noting that, there is need to put in place measures for effective land use in the country in order to guarantee optimal use of agriculture; now therefore, this House **resolves** that, the Government, through the Ministry of Lands, Public Works, Housing and Urban Development puts in place a policy framework for effective land use in rural areas by consolidating and designating zones for built development for commercial and residential developments with shared public utilities and separate zones for agricultural use in order to arrest further diminishing of agricultural land and steady the country's agricultural productivity.

**10\*. MOTION: 001/2024 – FORMULATION OF A REWARD SCHEME FOR ACCOMPLISHMENTS BY SPORTS PERSONS IN INTERNATIONAL COMPETITIONS**

(The Hon. Charles Ngusya, M.P.)

**THAT**, aware that, sports play an integral role in promoting cultural heritage, national identity, national development, the well-being of the people and sustenance of livelihoods, particularly of the youth; appreciating that, *Sessional Paper No. 3 of 2005* provides a framework for sports development and operationalization in the country; further appreciating that the *Sector Plan for Sports, Culture and Arts – 2018* by the Ministry of Sports, Culture and Arts mainstreamed sports development in the Third Medium Term Plan (MTP III) for 2018-2022, under Kenya's Vision 2030; recognizing that, the Vision 2030 aims at capitalizing on the country's international reputation as a world-class sports powerhouse whose sportsmen and women have won international accolades and recognition, especially for their prowess in athletics; concerned that, despite bringing honour and national pride to the country, most sports men and women face a myriad of challenges such as lack of psychosocial support and social protection, hence pushing many to alarming levels of mental health challenges during their careers and even after retirement; noting that *Sessional Paper No. 3 of 2005* contemplated motivation of sportspersons by the State through cash and material prizes, conferring State honours, appointments as goodwill ambassadors and establishing contributory insurance and savings schemes among other forms of motivation; cognizant of the fact that, the prospect of receiving State recognition, financial grants, and other perks inspires sportsmen to push their limits in attaining their full potential as well as fostering a collective sense of pride in sporting achievements; now therefore, this House **urges** that the Government, through the Ministry of Youth Affairs, *Sports* and Arts, develops a policy and standardized sports reward scheme for recognizing the achievements made by sports persons in internationally recognized competitions, through—

- (i) financial rewards of Kshs. 6 million for setting new world records; Kshs. 4 million for gold medalists; Kshs. 3 million for silver medalists and Kshs. 2 million for bronze medalists;
- (ii) non-financial motivation, including facilitation with issuance of diplomatic passports for established sportsmen and women, appointment as goodwill ambassadors and conferring national honours and privileges; and,

...../10\*(Cont'd)

- (iii) establishing medical cover and a post-retirement social protection scheme, including establishing contributory insurance and savings schemes to support sports persons who retire from active sporting due to injuries or age.

**11\*. MOTION: 002/2025 – ALLOCATION OF HELB FUNDS TO SUPPORT STUDENTS ENROLLED AT THE KENYA MEDICAL TRAINING COLLEGE**  
(The Hon. Abdi Shurie, M.P.)

**THAT**, aware that, Article 95(2) of the Constitution provides that the National Assembly deliberates on and resolves issues of concern to the people; further aware that, the Higher Education Loans Board (HELB) is mandated to provide financial support to Kenyans pursuing higher education through loans, bursaries and scholarships; noting that, students enrolled at the Kenya Medical Training College (KMTC) currently total approximately seventy thousand students, with thirty thousand of these having joined the institution in 2024; concerned that, forty percent (40%) of the KMTC student population require financial support similar to that offered to students in other public tertiary institutions such as technical training institutes in the country, but are excluded from receiving HELB support; appreciating that, education funding plays a vital role in enhancing access to education for Kenyans, hence boosting the economic growth of the county; this House therefore **resolves** that–

- (i) the Government, through the Ministry of Education, facilitates issuance of HELB loans to students at the Kenya Medical Training College; and
- (ii) if no funds are appropriated for this exercise, approval is hereby granted for the National Treasury to release funds amounting to not less than Kshs. 1,500,000,000 to the Higher Education Loans Board pursuant to Article 223 of the Constitution for loans to KMTC students, and that such release be regularised through the Third Supplementary Estimates III for the financial year 2024/2025.
